MEMBERSHIP BENEFITS

Joining the Chamber is an investment which will impact positively on your company. Value, opportunity and business contacts are core reasons why businesses join a Chamber and remain on as members.

Bray and District Chamber of Commerce, the largest chamber in County Wicklow, is fully accredited to the Chamber of Commerce of Ireland (CCI) and consequently is part of the world's largest business network.

Bray Chamber represents a wide diversity of businesses including Retail, manufacturing, services, distribution, engineering, the professions, culture and the arts. We also represent every size of business from sole traders to SME's to multinationals.

Our clearly stated mission is to create and maintain the necessary environment for the successful development of local business.

We also support and actively promote culture and the arts within the community. Bray Chamber offers its members a valuable range of business support services. We will work closely with our members to ensure that we meet and provide the appropriate support and initiatives they require.

Lobbying For You

One of the core functions of the Chamber is to represent local business on a regional and national level. When you have an issue in Business, where do you go? When we see an issue that needs to be raised, we make ourselves heard. Bray Chamber has developed a strong working relationship with the Bray Municipal District and Wicklow County Council.

The Chamber has representation on a number of Wicklow Boards.

We are actively involved in raising the profile of a number of issues.
